Madam FOUEDJIO Jeanne Hortence is Cameroonian, Associate Professor of Obstetrics and Gynaecology at the University of Yaounde 1, Vice-Dean in charge of Research and Cooperation of the Faculty of Medicine and Pharmaceutical Sciences of the University of Dschang-Cameroon. Her key qualifications are reproductive health research (trained in 2004 by WHO Geneva foundation), the main competence acquired from this training was the design and implementation of innovative research activities in reproductive health.

Professor FOUEDJIO is a holder of a medical Doctor degree and post graduate degree in Gynaecology and Obstetrics from the Faculty of Medicine and Biomedical Sciences of the University of Yaoundé I. She attended a training in 2005 at Université Libres of Brussels in Belgium to improve her skills in the domain of Obstetrics and Gynecology. She also holds a Master degree of Public Health from the Catholic University of Central Africa. She is currently leading a project on family planning, comprehensive abortion care, sexual and reproductive health in collaboration with the University of Michigan.

She is an excellent scientist, researcher, author and co-author of more than 80 scientific articles published in peer reviewed journals in the fields of public health, reproductive health, maternal and child health.

Her experience in teaching/coaching in the domain of reproductive health is more than 10 years.

Professor FOUEDJIO Jeanne is the President of the Cameroon Society of Sexual and Reproductive Health. She organised the first Cameroon scientific days on sexual and reproductive health on March 2023 at the University of Dschang-Cameroon.
